FROM: Bureau of Curriculum & Instruction

TO: All Students:

Alii! We trust that you have enjoyed Education Awareness Week. Because you will be home for the next two weeks (March 23 – April 3, 2020), we want to share with you some drawing/writing prompts and math activities to keep you busy. Here's a list of fun ideas you can use as creative sparks to get your imaginations writing & solving math problems in no time! Good luck!

You can draw and do math activities! You can write an essay, maybe a poem, or maybe even a whole book! We hope you are inspired with these topics and other topics of your choice to write and do math activities!

Please take your journal notebooks, math books & notebooks home to do your activities! We thank you for doing this.
